

**TOWN OF MILLINGTON  
RESOLUTION #2023-08**

**A RESOLUTION TO ADOPT THE MARYLAND  
COMMUNITY DEVELOPMENT BLOCK GRANT  
PROGRAM CITIZEN PARTICIPATION PLAN**

**THE TOWN OF MILLINGTON** has adopted this Citizen Participation Plan to meet the citizen participation requirements of 24 CFR 570.486 and 24 CFR 91.115(e). Regulations require that each unit of general local government receiving or expecting to receive Community Block Grant Funds:

- Furnish citizens with information related to the availability of CDBG funding including the amount the State makes available under each state fiscal year, the eligible CDBG funds;
- Provide for and encourage citizen participation, particularly by low- and moderate-income persons who reside in slum or blighted areas in which CDBG funds are proposed to be used;
- Ensure that citizens will be given reasonable and timely access to local meetings, information and records relating to the unit of general local government's proposed and actual use of CDBG funds;
- Provide technical assistance to groups representative of persons of low and moderate income that request assistance in developing proposals in accordance with procedures developed by the State. Such assistance need not include providing funds to such groups;
- Provide for a minimum of two public hearings, each at a different stage of the project, for the purpose of obtaining citizen's views and responding to proposals and questions. Together the hearings must cover community development and housing needs, development of proposed activities and a review of program performance. Public hearings to cover community development and housing needs must be held before submission of an application to the State. There must be reasonable notice of the hearings and they must be held at times and locations convenient to potential or actual beneficiaries, with accommodations for the handicapped. Public hearings shall be conducted in a manner to meet the needs of non-English speaking residents where a significant number of non-English speaking residents can reasonably be expected to participate;
- Provide citizens with reasonable advance notice of, and opportunity to comment on, proposed activities in an application to the State and, for grants already made, activities which are proposed to be added, deleted, or substantially changed from the unit of general local government's application to the State. Substantially changed means changes made in terms of purpose, scope, location, or beneficiaries as defined by criteria established by the State;
- Provide citizens with the Town Residential Anti-Displacement and Relocation Assistance Plan if proposed applications to be submitted will likely to result in displacement of persons or businesses from their homes or businesses;
- Provide citizens the address, phone number and times for submitting complaints and grievances, and provide timely written answers to written complaints and grievances, within 15 working days where practicable.

CDBG funded activities may serve beneficiaries outside the jurisdiction of the unit of general local government that receives the grant, provided the unit of general local government determines that the activity is meeting its needs in accordance with section 106(d)(2)(D) of the Act.

## PROVISION OF INFORMATION, PUBLIC HEARINGS AND COMMENTS

The Town of Millington will provide reasonable access to records and information on the proposed and actual use of CDBG funds during regular business hours of 8 am-4 pm at the Town office of Millington. Where possible, the Town will provide copies of documents or access to copying services to citizens or groups requesting information at their own expense.

Information will be furnished to citizens through public notice in the Kent County News, a newspaper of general circulation. The Town may also provide additional information to its citizens about the CDBG Program through articles in local newspapers, newsletters or community bulletins, the Town's website, flyers distributed door to door or at presentations made at community meetings.

The Town will hold at least one public hearing to receive input by citizens on the housing and community development needs of the jurisdiction and to discuss the development of proposed activities. This hearing will be held in conjunction with a regularly scheduled meeting of the elected public officials prior to submission of an application for CDBG funds.

If the MD CDBG Program funds the activity, a second hearing on program performance must be held at some point during the grant period after the activity has been initiated.

The MD CDBG Program requires that notice of a public hearing be published in a newspaper of general local circulation no less than five (5) days in advance of the hearing. Hearings will be held at times and locations convenient to actual or potential beneficiaries and at locations accessible to the disabled. Documentary evidence that the required notices are published, and public hearings are held in accordance with the plan will be maintained. Copies of the actual notices and/ or affidavits shall be a part of the files, in addition to minutes of the hearings.
